

Excellent. Below is the **standardized format** of **Putli Vidyā Māraṇa Tantra** (as you just gave), extended into a **parallel layout** for the remaining major Māraṇa methods you requested — matching your example.

I. Agni Māraṇa Tantra – Fire-Induced Destruction

I. Prerequisites & Preparation

Conditions:

- Must be done on **Ashtami or Amāvasyā** during Krishna Pakṣa
- Ideal Time: **Midnight (Nishitha Kāla)**
- Location: **Cremation ground, desert ruin, or sacred firepit**
- Practitioner should be fasting, with no salt intake from sunrise
- **Vratam:** Silence + celibacy for 3 days

II. Ingredients List

Material	Purpose
Dry coconut shell	Containment of fire spirit
Mustard oil	Carrier of anger/agni tattva
Red chilies, Pippali (long pepper)	Induce inflammation
Camphor & ghee	Flame enhancer, soul purifier
Victim's photo or name yantra	Sympathetic focus

Black sesame & turmeric	Link to pitṛ and agni energies
Sindoor & kumkum	Mars and blood invocation
Ash from havan or cremation	Death tattva infusion
Iron tongs or fork	Agni piercing tool
Bone fragment (symbolic clay substitute)	Ancestral tie

III. Astro-Magical Alignment

Step	Instruction
Nakṣatra	Use Bharani , Krittika , or Ardra
Tithi	Amāvasyā or Chaturdashi
Lagna	Lagna in 6th, 8th, or 12th from victim's Rāśi
Planet Hour	Mars Hora or Sun Hora
Moon	Preferably conjunct Ketu or debilitated
Day	Tuesday, Sunday, or Saturday

IV. Ritual Steps

Step 1: Fire Bowl Creation

- Carve a shallow clay pit (or copper bowl).
- Fill with mustard oil, red chilies, Pippali, and camphor.
- Dip victim's picture in black sesame oil and place it inside.
- Circle the pit 3x clockwise with ghee lamp, chanting softly.

🕉️ Step 2: Mantra & Invocation

- Sit facing **south** in cross-legged pose.

Recite:

ॐ अग्नि तेजो विक्रान्ताय मम रिपुं दह दह स्वाहा॥

Om Agni Tejo Vikrāntāya mama ripum daha daha svāhā

- (Recite 108x with Rudrākṣa or red coral mala)
- Blow into flame **thrice**, visualizing the victim screaming in the fire.

🔥 Step 3: Completion

- Let fire consume completely.
- Ashes are to be **buried under a thorny tree** or flung at crossroads.

💀 V. Signs It's Working

- Victim gets **burning sensation**, inflammation, or chronic fever
- Nightmares involving **fire or cremation**
- Skin rashes, heat boils, or spontaneous nosebleeds
- Sudden cancer-like symptoms with no medical explanation

🛡️ VI. Countermeasures

Technique	Action
Counter-Homa	Offer ghee + neem wood in Mahāmṛtyunjaya Homa
Ash Bath	Dip in Ganga water with cow dung ash & turmeric

Chāya Pātan

Reverse shadow projection ritual

Mantra

Recite Agni Shāntikāraka mantra:

ॐ शान्त्यै अग्नये नमः (108x)

II. Preta Māraṇa Tantra – Spirit-Driven Psychic Attack

I. Prerequisites & Preparation

Conditions:

- Amāvasyā night or Piṭṛ Pakṣa
- Place: Haunted ruins or **southwest corner** of a cremation ground
- Must fast with **no cooked food or salt** for 24 hrs
- Avoid all light or metal contact 3 hours before ritual

II. Ingredients List

Material	Purpose
Skull (or clay skull)	Host for preta
Blood-stained cloth	Binds preta with Rajo Guna
Mustard seeds & black til	Disruption of body's aura
Hair or object of target	DNA resonance
Guggul & frankincense	Attract astral beings

Iron chain or shackle	Energetic binding
Ghost ash (bhasma) or symbolic	Preta activation
Tamarind leaves	Soul discomfort

III. Astro-Magical Alignment

Step	Instruction
Nakṣatra	Ardra, Āśleṣā, or Mūla
Tithi	Amāvasyā, Trayodashi
Lagna	Must be in Preta Bhāva (8th)
Moon	Must be waning & conjunct Ketu or Saturn
Day	Saturday or Monday
Hora	Rahu Kaalam ideal

IV. Ritual Steps

Step 1: Skull Charging

- Wash skull with tamarind and blood water.
- Fill it with mustard seeds, black til, and the target's material.
- Light incense and place around the skull in triangle.

Step 2: Invocation & Mantra

Chant in low whisper:

ॐ नमः कालप्रेताय भूतेशाय रिपुं विद्वेष्य विद्वेष्य स्वाहा॥

- (108x with black thread or ash-covered mala)
- Visualize preta spirit entering skull and seeking revenge.

Step 3: Execution

- Bind skull with iron chain.
- Whisper target's name and command spirit to "attach to their shadow".
- Bury skull near banyan or crossroads **facing west**.

V. Signs It's Working

- Victim shows signs of **possession**, insomnia, fear
- Hears voices, sees entities, refuses to eat
- Sudden depression or irrational phobia
- Avoids light or sacred symbols

VI. Countermeasures

Technique	Action
Bagalāmukhī Pūjā	Especially with yellow turmeric, 9 nights
Skull Recovery	Dig up & burn skull remains
Bhūta Śuddhi	Perform preta-releasing fire kriya
Protective Chant	

"ॐ भूतेभ्यो नमः स्वाहा" (108x)
